Work + Wellbeing

An interactive event aimed at young people to showcase careers opportunities across the Health & Social Care sector in Cornwall.

Tuesday 28th February 2017
The Knowledge Spa, RCHT, Truro TR1 3HD

This year, the Knowledge Spa will again throw open its doors to hundreds of students from schools and colleges across Cornwall keen to learn first-hand about careers in medicine, health & social care and allied professions.

Aimed at 14-19 year olds, the 'Work & Wellbeing' event provides young people with a unique chance to meet the health professionals and hear up to date advice about careers opportunities in health and care through interactive workshops and exhibits. The event has previously been run successfully by Cornwall EBP under the name 'Pathways to Health' with the support of The Royal Cornwall Hospital Trust, Plymouth University, National Careers Service and Truro-Penwith College, all of which are involved in developing the future health workforce of Cornwall.

Featuring hands on workshops & interactive stands, the exhibition will be open from 09.30am – 2.30pm

To Book:

Please use the attached form to book a session for your students.
